Intent to File an Application with USDA, Rural Development, Rural Utilities Services

Town of Sweden

This is to provide notice that the Town Board of the Town of Sweden intends to file an application for grant and loan assistance with USDA, Rural Development for improvements within an area designated as Ladue, Swamp and West Sweden Road Water Improvement Benefit Area.

This proposed project involves installation of water mains along portions of LaDue Road, Swamp Road, Lake Road and West Sweden Road. The project will serve an estimated 131 residential homes. The estimated capital cost of the project is \$11,200,000.00. Consistent with Town Law and procedures of Rural Development, the Sweden Town Board will conduct a public information meeting and/or hearing prior to making a commitment to undertake the proposed project. Residents will be notified as to the time, date, and location of such meetings.

The Town of Sweden is an equal opportunity employer.
